The Annville-Cleona High School
Class of 1973
Presents:

Corinoma
1973

Foreword

Because today is the most important moment of our lives, the way in which we use the time available to us is of the utmost importance. Decisions made during this period of our lives are those which add to our presently developing character, and will affect us in later years. Whether or not we consider these years significant, the experience gained is that which we can not afford to disregard.

Seniors Honor Dedicated Coach

We, the class of 1973, respectfully dedicate our yearbook to Mr. Glenn Worcester, health instructor and chairman of the Physical Education Department of the Annville-Cleona High School. Aside from his normal schedule of classes Mr. Worcester is the senior class advisor and the faculty advisor to Leader Corps. As he is the varsity soccer coach and assistant baseball coach, much of his time is devoted to helping athletes better themselves physically through sports.

Aside from school duties and functions Mr. Worcester enjoys participating in many sports such as basketball, softball, bowling, and hunting. He enjoys teaching at Annville-Cleona, and, although he feels that our school has better standards than many others, he realizes that weaknesses exist. In his opinion, students are often unfairly labeled. He feels that one must not jump to hurried conclusions, but rather take time to develop a positive attitude toward problems.

today . . .

We stand as citizens in a confusing world of
affluence and poverty, concern and apathy,
war and dreams of peace. We sing our songs
and live our lives and we stand ready
to shape the society we will rule.

today

Let us remember the excitement of a united spirit,
the challenge of knowledge, the warmth of a smile,
and the endless march of time itself.

Let us remember what we have learned and let us
learn from what we remember.

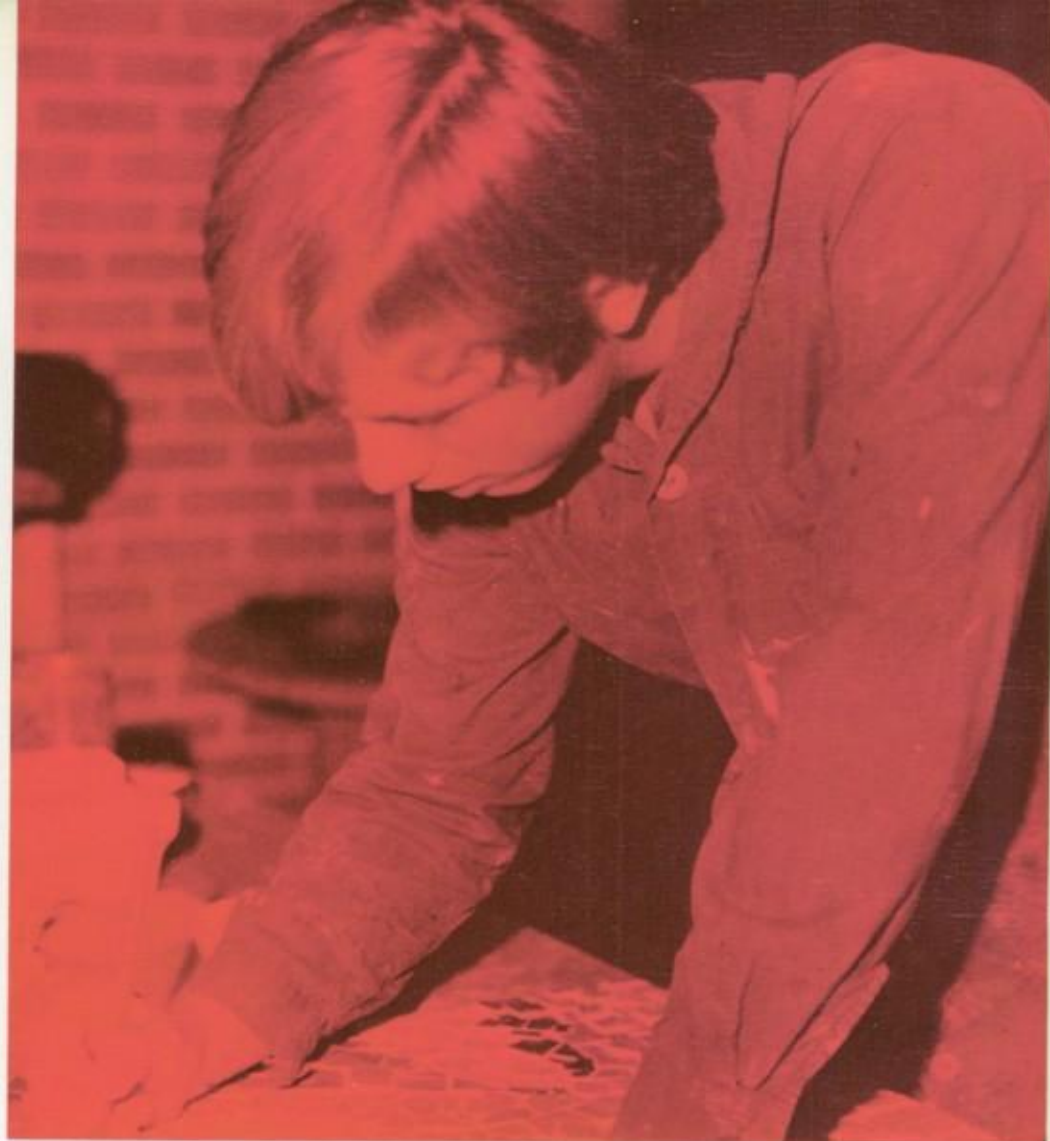

today . . .

Ours is a society held in esteem by many and in contempt by few. The annals of history are filled with our accomplishments and are tainted by our mistakes. We are fast approaching the time when we will hold the pen that writes the history our children will study.

To The Members of the Senior Class,

The theme of your yearbook is "Today" and that is very proper, for in this annual you will attempt to record the most significant memories of today so that you will be able to relive them in many tomorrows. But an even more important reason why this theme is a suitable one is that the lives of young people are synonymous with today, the present, the now. You do not live in the past. You are active. Your lives are vital. In this respect, you can remind those of us who are older lessons which we sometimes forget. Don't look back in anger or sadness! Look forward with trust and hope!

We congratulate you on producing a splendid yearbook, one which we are sure will give all of us many pleasurable moments. We congratulate you on having completed your public school education. We wish for each of you much happiness and success as you go forth to your next step in life.

— Richard H. Gingrich

Administrators Improve Educational Facilities

In his first year as assistant superintendent Mr. Steber performs many duties as director of curriculum. Although his main responsibility is planning students' curricula, he is also in charge of program development, implementing federal programs, planning inservice programs for faculty members, and managing public relations.

Mr. Weekes, who holds the new position of business manager has many responsibilities such as processing purchase orders and handling the bills, the budget, the insurance program, and the payroll.

TODAY . . .

Your previous tomorrows are now your today. Lifestyles will be fashioned from the experiences you have acquired these past twelve years. As you enter the adult world, you will still question why certain problems cannot be resolved forthwith. On the other hand, you will be challenged to produce solutions to conflicts immediately.

In having to formulate answers, one could keep in mind the following criteria using the word *today* as the base.

Tolerance — One should remember that he is not the only one with a concern.

Omniscience — Problems must be thought through thoroughly before a reaction takes place.

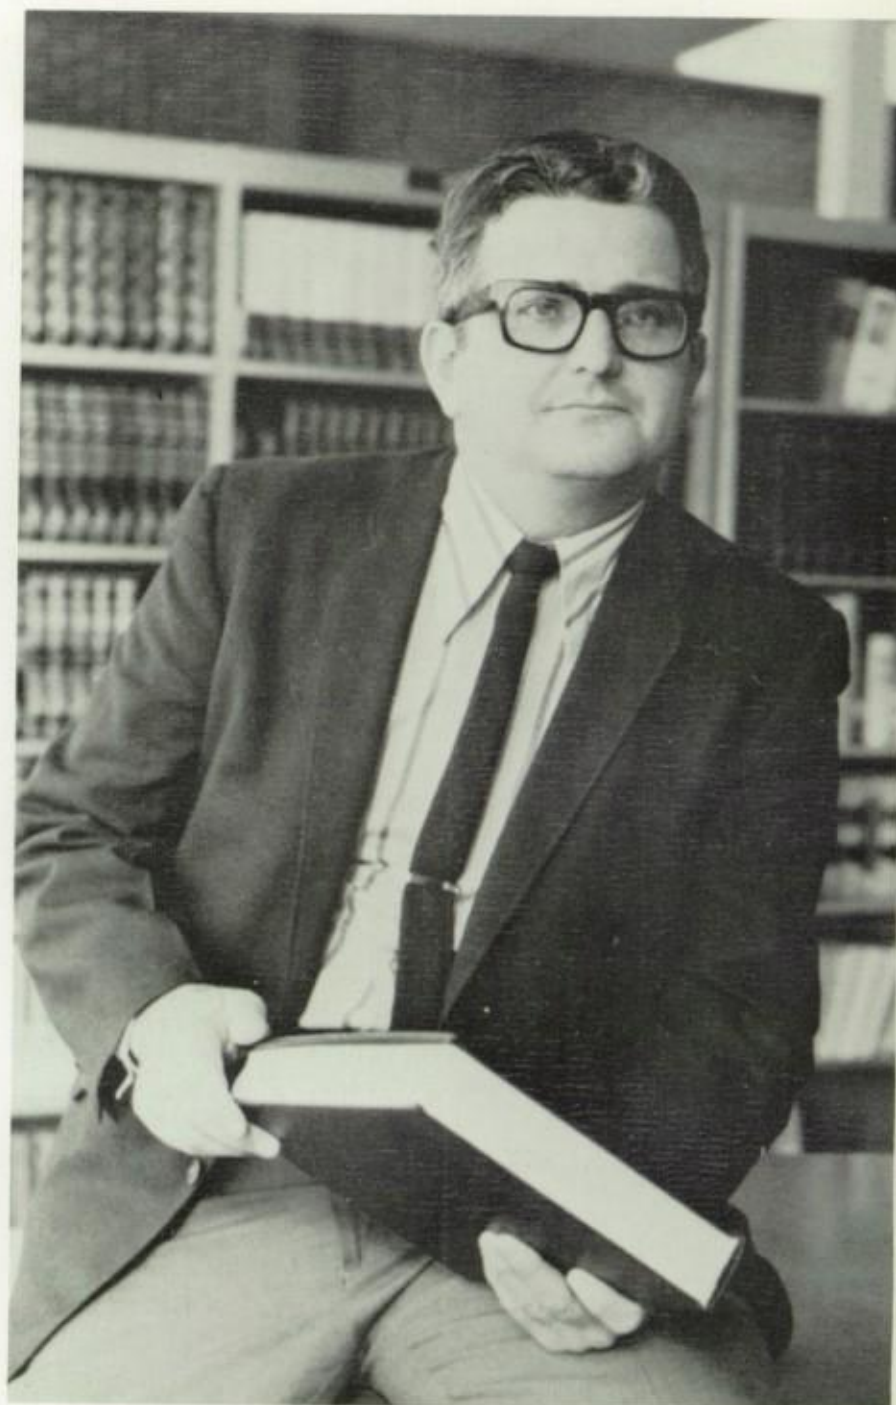

Discretion — Decisions will be yours, and thus you will rise and fall on your own judgement.

Affection — Everyone has feelings, and this should be considered in the end result.

Yielding — Your solution might not be the only legitimate one to be considered in the end result.

Best wishes and good luck in your life's endeavor.

— Mr. Sabol

The main office is efficiently run by the secretaries, Mrs. Meyer and Mrs. Markey, and Mrs. Fees, the attendance officer. Their various duties include aiding the principals, helping students and teachers seeking information, and typing among other items the morning bulletin which is distributed to the faculty members each morning. Their efficiency is a great credit to our school.

Right: Mrs. Fees keeps daily attendance records.

Mrs. Fees

Mrs. Markey

Mrs. Meyer

Left: Mrs. Meyer checks a file for needed information.

Mr. Stitzel as the new assistant principal is mainly in charge of discipline although he performs a multitude of other jobs in addition to this. Locating substitutes for absent teachers, he manages teacher supervision, and he oversees activity programs which are planned by the faculty activities coordinator. His other areas of responsibility include attendance and building maintenance.

There Is a Time To Learn

Teachers Behind the Scenes

Mrs. Moyer, the head librarian, and Mrs. Reich, her assistant, aid students and teachers in finding information in the library. They operate the listening center for students and provide various films for researchers.

Miss Keene, the school nurse, performs such services as treating students who become ill during the day, advising the Medical Careers Club, and keeping records of the students' physical growth through his junior and senior high school years.

By assisting individual and group instruction of students, Teacher Aids and Special Educational Assistants give valuable aid to other teachers. Their help is an asset to the teachers who have a multitude of tasks to perform.

Guidance Counselors Aid Students With Problems

Mr. Forney, the Senior-Junior High Guidance Counselor, devotes much time to helping students solve their educational and personal problems. He also administers tests to students interested in the vocational technical program.

Mrs. Burris, our new Junior High Guidance Counselor, offers her services of advice or assistance to any Junior High students who seek her guidance.

Through the evaluation of tests and interpretation of materials, Mr. Fake, the Senior High Guidance Counselor, aids students in deciding their futures and assists them in understanding materials about institutions of higher learning. He also helps students in arranging their schedules and informs them of the scholarships that are available.

School Hires Competent Special Service Groups

The custodial staff, bus drivers, and cafeteria staff all spend long hours in service to our school. The custodial staff strives to keep our school clean and comfortable. The bus drivers arrive early in the morning to transport students to school and operate their vehicles until well after school has ended. The cafeteria staff works hard to create nutritious meals for the students and often volunteers assistance for various class projects. Without the valuable loyalty, service, and dedication of these staffs our school's efficiency would suffer greatly.

New Look in F.F.A.

The F.F.A. is an organization for boys and girls who are interested in studying vocational agriculture. Members of the organization learn how to conduct and take part in public meetings, buy and sell cooperatively, manage finances, and assume responsibility.

This year the F.F.A. along with the Varsity Club co-sponsored a Donkey Basketball game. The club also sold oranges and homemade bologna, and, on February 22, 1973, held its annual banquet at which the members were presented with awards for their achievements during the year.

The Future Homemakers of America is a group of girls interested in improving their domestic abilities. These girls feel that, if they learn to live better lives today, they will be better able to guide their own families' lives. This year the members sold dishcloths, cookbooks, baked goods, held a Mother and Daughter banquet, and traveled to the annual Farm Show in January.

President Mary Finkbiner works on the agenda for the next F.H.A. meeting.

Students Show Interest in Medical Careers

The Medical Careers Club which developed from the former Future Nurses Club includes students interested in pursuing a career in medicine. During the year Miss Keene organized field trips to the Hershey Medical Center and the Reading Hospital, so that the club could observe different medical occupations. The club also attended a convention at Lebanon High School which was held for club members from Lebanon County.

Leadership: Goal of Corps

Leader Corps is an organization for students who are interested in teaching physical education. Members of the organization assist the physical education teachers by performing small duties such as leading drills, taking role, and officiating games during regular gym classes. This year Leader Corps held two adult recreation nights for the parents of the students of Annville-Cleona.

Both Concert and Marching Bands Perform Under a New Director

Under the guidance of a new band director, Mr. Robert Kain, the marching and concert bands performed for the school. The marching band played at both home and away games and at the annual Memorial Day parade. The concert band, after many hectic practices presented on March 22, its annual concert which contained contemporary and popular selections as well as compositions from earlier periods of musical history. The concert band also participated in an exchange assembly with Boiling Springs High School. After our band visited Boiling Springs to present portions of our concert, the Boiling Springs band entertained our students. Because of the new school rule requiring students to belong to both concert and marching bands, the organization's size was decreased. Despite this lack of size, the bands gave successful performances throughout the year.

Instrumental Groups Perform for a Variety of School and Community Activities

The Brass Choir, Wind Ensemble, and Dance Band all consist of students who serve their school through music. At Christmas the Brass Choir entertained local business firms and students of the elementary schools in the school district, and the Wind Ensemble, consisting of students from grades nine through twelve, performed at the annual Christmas concert. The Dance Band performed popular music at the Veterans' Hospital.

Letter Winners Earn Jackets

The Varsity Club consists of those athletes who have earned one or more letters in a varsity sport. These members must honor the excellence of athletes and assist in athletic functions. This year the varsity club co-sponsored a successful donkey basketball game with the F.F.A. in hopes of making the game an annual event. In order to pay for the cost of jackets for members, the club also sold programs at all home football games.

Mr. Hossler and Varsity Club members discuss club activities.

Meet That Deadline!

Under the leadership of editor-in-chief, Kathy Early, and advisor, Mr. Kline, the yearbook staff battled the problems of meeting deadlines, finding the best possible layouts, and getting original pictures. The yearbook staff held its annual sales campaign and sold candid and group pictures of the A-C football team to cover the cost of the yearbook expenses.

The 1972-73 Dutchmen Crier staff was composed mainly of underclassmen who were forced to work under extremely difficult conditions such as limited working space, and inadequate facilities. Although many of the staff's members were inexperienced, it produced a newspaper filled with interesting features and editorials which centered around school life. Hopefully this staff's perseverance has begun a trend for future years.

Students Unite for Expression in Song

Both the Senior High Chorus and the Glee Club, performing musical organizations whose members were selected after auditions, presented annual Christmas and Spring concerts. Both groups also participated in various community presentations. The Glee Club performed at a district Kiwanis convention in Hershey and the entire Senior High Chorus which includes the Glee Club traveled to WLYH, a local television station, in order to tape several of its selections for the telecast on Christmas Day.

Mrs. Verna Sollenberger, the vocal music teacher, is the director of the Senior High Chorus which consists of one hundred nineteen sophomores, juniors, and seniors. The Glee Club, on the other hand, is a small and more select group of singers. Both these groups provided an effective contrast throughout the concert.

Both at Christmas and Spring the school's choral groups presented concerts which were the product of much work. These concerts included many selections ranging from the medieval to the modern musical periods. The Christmas concert contained spirituals, Baroque music, nineteenth century compositions, contemporary selections, and several other types of sacred music. Because the spring concert was not restricted to sacred music, the program contained many secular compositions as well as the songs of several popular recording artists. These selections combined with the many soloists, accompanists, and small groups of singers provided a considerable amount of variety to the spring concert.

Two Minutes Until Curtain

The Stage Crew consists of students who desire to serve the school by arranging the necessary props needed for assemblies, preparing sets for plays and musical productions, and helping with lighting. This year's stage crew did an excellent job on the sets for the musical and worked hard to make assemblies run smoothly.

Football Victory Sets Mood for Homecoming Dance

On October 7, students and alumni danced to the slow music of "The Rainbows" under a mirage of fall decorations in yellow, orange, and brown. Each table was simply adorned with a colorful paper flower, handmade by energetic students. The Student Council Corps should be praised for taking the time and energy to create these surroundings, but the real mood of the dance was set by the Dutchmen's victory over Garden Spot at the Homecoming football game.

Prom —

In an effort to break customary traditions the Junior Class included a formal full course sit-down dinner in its Junior-Senior Prom held on May 12. A reception line including class officers, advisors, and their dates greeted the arriving guests. A decorated tree, candles, and stars adorned the Lebanon Country Club, the location of the Prom. The musical group performing for the guests was Al Morrison and his Orchestra.

This year the members held a Christmas party for the Day Care children at Cleona Elementary School. They served to the children refreshments, played games with them, and gave each one a present. They also conducted the annual March of Dimes campaign, headed the campaign for the March of Dimes Walk-A-Thon at A-C, and supplied flowers for the graduating class.

By tying with Bellevue for the State Championship in a meet in which sixty-seven schools participated, the cross country team completed its most successful season. Scorers for Annville-Cleona were Bob Stachow (13th), Tim Longenecker (17th), Sam Kincaid (78th), Gorden Gerber (33rd), Ed Gamber (41st), and Tom Tshudy (65th). The team, finishing third, also participated in the District III Meet which was held at Milton Hershey. At the Lancaster-Lebanon meet, Annville-Cleona finished first, while competing against sixteen other schools.

Finishing sixth in a field of eleven competitors, the Annville-Cleona Girl's Field Hockey team ended the season with a 4-4-2 record. High scorer for the team was Bev Chadwick with eight goals, while Sherry Rauch captured three. Although the high point of the season for the Dutchgirls was the five to one win over Elco, the team proved its potential throughout the entire season. It showed aggressiveness and determination while experiencing victory, defeat, and difficult opposition. That the girls ended the season by defeating all the Lebanon County teams, thus becoming the Lebanon County champions, is a fact of which Annville-Cleona can be proud.

The record of Annville-Cleona's 1972 soccer team is not indicative of its season. Considering the new and more difficult Lancaster-Lebanon League and that this year is a rebuilding one, the team did have a winning season. Annville-Cleona played particularly well against such strong opposition as Garden Spot, Penn Manor, and Elizabethtown with whom their finest game was executed. This three to one victory was due mainly to the efforts of Ernie Seyfert, who made two goals, and John Kincaid, who scored one goal. Ernie Seyfert, the league's "toughest" forward, according to Coach Worcester, was the team's high scorer with eight goals. Also outstanding was John Kincaid, a junior defensive player.

We Are Number One!

Outstanding senior leadership and a positive team attitude led the 1972 Dutchmen to the most successful season in the school's football history. The team is the first champion of the newly-formed Lancaster-Lebanon football conference. By defeating the league's first place team, Manheim Central, early in the season, they assured themselves of the school's first winning season. The Dutchmen, headed by co-captains Roger Sample and Roy Reitz, view the entire season as a considerable success. Players chosen to represent Annville-Cleona on various all-league and all-star teams were Roger Sample, Roy Reitz, Phil Brewer, Rich Rhoads, Mike Wilhelm, Steve Albright, Jed Dutweiler, Ed Krum, and Nick Faiola.

Basketball: Annville-Cleona Style

The varsity basketball team finished its season with a league record of 9-9 and an 11-11 overall record. In aiming for an equal or better record next year, the team will miss the ability of such players as Ed Neidigh who averaged 18 points and 18 rebounds per game, and Chip O'Neal who was the second leading scorer with almost 11 points per game. Also adding support and ability was Tim Bowman, the best percentage shooter, making 60 percent of his shots. Other players such as Craig Kettering, Dave Martin, Brian Maulfair, Jeff Ellenberger, and Jed Dutweiler also enabled the team to defeat six out of its nine opponents. A-C was twice defeated by Cocalico, the league champions, Elco and Pequea Valley.

A-C's Junior Varsity team posted a record of 11-11. Although junior Bill Boger and sophomores Brad Hartman, Nick Faioli, Bob Stachow, and Ed Hoffer usually acted as starters, each member of the team gained experience for future years.

Girls Face Tough Season

Right: GIRLS' BASKETBALL SQUAD: Kneeling: J. Clawser; Manager, H. Gerber, J. Meyer, S. Rauch, M. Borges; Manager. Standing: J. Buchmeyer, G. Longenecker, L. Lingle, L. Sorrentino, A. Hamm, L. Stranick, C. Brandt, D. Herr, B. Sherman, L. Hoshower, Mrs. Oller; Coach.

Breaking the previous two-year losing streak, Annville-Cleona Girls' Basketball team finished the season with a 6-10 record. Under the leadership of high scorer, Jeannie Buchmeyer (130), and co-captain, Jolene Meyer (107) and Lucy Lingle, the girls proved to be tough competition for the powerful teams they faced. Their six wins along with several close contests with higher placed schools showed the girls' potential.

Inexperience was the biggest handicap the junior varsity girls' basketball team encountered. Many other factors such as only four returning players and nine freshman players combined with a first-year coach also added to the rather dismal final record. The team did, however, end the season with a victory over Elco. Hopefully with a large number of returning players, next year's team will be stronger.

A-C Grapplers Have Tough Season

Although the Annville-Cleona wrestling team finished its season with a 2-11-1 record, this record is the best in the history of this sport at Annville-Cleona. The team participated in several tournaments such as the one held at Northeastern High School. In this tournament Dale Rauch placed second, Mike Wilhelm, third, and Jeff Yorty and Eugene Graham, fourth. The team did have several outstanding players such as Eugene Graham, who the team voted the season's outstanding wrestler, and Mike Wilhelm, who was voted the most improved wrestler. Even though several valuable seniors will not return next year, a large number of returning underclassmen will hopefully provide the necessary skill and enthusiasm to create a better team.

The varsity baseball team coached by Mr. Lingle ended the season with a nine won and nine lost record. Next year the team will be without Chip O'Neal, Dave Martin, Ed Krum, Mike Capriotti, and Randy Rhoad five seniors, who in Mr. Lingle's opinion, are all outstanding athletes and fine gentlemen. In the coming season, however, nine returning underclassmen will contribute their experience to the team effort. The junior varsity baseball team finished the season with a four and eight record. Led by Coach Worcester and Captain John Imboden the team gained a greater knowledge of the sport and will be able to fill the shoes of this year's departing seniors.

Although the tennis team had a record of two wins and fourteen losses, it had several outstanding players such as Jean Buchmoyer, Bev Chadwick, and Jolene Meyer. The two wins against Warwick and the final Elco match in which the girls displayed their best season's effort highlighted the season. The returning underclasswomen led by Jean Buchmoyer and Liz Brensinger will with their experience and potential hopefully guide next year's team to greater victory.

"We're Invincible, We're Women"

Although the girls' track team finished the season with a 4-6 record, it had the school's best girls' track season. Fortunately the team will lose only two seniors, Heather Gerber, and Lucy Lingle, and with the experience and dedication of the many underclasswomen next season should be a winning one. Outstanding players who contributed to the team effort were Jane Watts in the long jump, Laurie Stranick who consistently won the high jump in most meets, Laurie Smith in the 880, and Brenda Young in the 440. Team captains were Linda Sorrentino and Lucy Lingle, both excellent athletes who led the team.

A-C Trackmen: Speed,

The Senior High track team, coached by Mr. Gerber and assisted by Mr. Johnson, Mr. Kestner, Mr. Goudy, and Mr. Eschenmann, remained undefeated in the Lancaster-Lebanon Section II. The team contained five outstanding members, Bob Stachow, Tim Longenecker, Bill Boger, Richard Sheetz, and Richard Bowers, who for the most part, led the team. The Mile Relay team also proved to be valuable in contributing to the total team effort. By far, the most valuable member of the team was sophomore Bob Stachow, the Lancaster-Lebanon mile run champion and second place winner in the District III mile and 880 yard runs, not only set two new school records but also placed fourth in the State mile run.

The cheerleaders, led by varsity co-captains, Anne Ehrhart and Deb Hoffman, and junior varsity captain, Anne Dwyer, sparked enthusiasm and spirit at the school's football, soccer, basketball, cross-country, and wrestling competitions. They also held several pep rallies to create spirit for athletic events. Although the girls did not win the cheerleading competition of the new Lancaster-Lebanon County League, they did make a fine showing. With the loss of only three seniors, next year's squad will have a fine returning group.

Seventh Graders Gain Experience in Music

Under the guidance of Mrs. Verna Sollenberger the Seventh Grade Chorus presented annual concerts both at Christmas and at spring. The organization which meets once a week presented mostly popular and contemporary compositions such as "It's a Small World," "Black and White," "The Candy Man," "Sunrise, Sunset," "Wher'er You Walk," and "Take Me Along." The soloist on the Spring Concert was Cindy Fair who performed a solo in the song, "Sunrise, Sunset." Accompanists on the Christmas Concert were Audrey Light and Kory Umberger.

Junior High Chorus Members Gain Experience for Future Years

The Junior High Chorus, under the direction of Mrs. Verna Sollenberger, presented its annual Christmas and Spring concerts.

The Chorus, consisting of 125 eighth and ninth grade students, performed selections ranging from "Three Madrigals," the words of which are Shakespeare's, to more contemporary compositions such as "Oh! Freedom," "If I Were a Rich Man," and "The World Is Rolling On." Soloists for the group were cellist, Valerie Knisley, tenor, Ken Fuhrman, and accompanist, Kathy Yeagley.

Jr. High Students Display Instrumental Ability

The Junior High Band which Mr. Lemon directs presented its Band Concert on May 10. The concert contained marches by John Philip Sousa, Joseph Haydn, and others, an overture, an arrangement of Walt Disney favorites, and a clarinet solo performed by Donna Kreamer. The program also featured Lebanon Valley Senior Anthony Leach who conducted a Haydn march. The band which practices twice weekly includes seventh, eighth, and ninth grade students.

Assistants Organize Library

The Library Assistants, primarily a service organization, performs many invaluable tasks which include, among others, filing catalogue cards, locating magazines, returning books to their proper places, stamping and repairing books, and signing passes.

Einsteins of the Future

This year the Jr. High Honor Society held a night installation on May 24 for the purpose of inducting new students into the organization. The induction ceremony was different from other years in that a series of dialogues were presented in place of the usual ceremony. The Honor Society also performs other functions such as decorating the Christmas tree, maintaining a scrapbook of its activities, and managing the bulletin board in the south lobby. The organization also took its annual field trip to Washington D. C.

The ninth grade Tri-Hi-Y is a group concerned with serving the school and community. To serve the school the members of the club held a dance in the beginning of the year. Also as a service to the community the club sold candy and contributed the profits to the Terry Smith Kidney Fund. Because the club's main objective was to learn about the school's various activities, this year the members invited guest speakers from other clubs, sports, and organizations.

Students Learn Farming Skills for Future

This year the Junior High Future Farmers of America attempted to familiarize themselves with agriculture. In an attempt to promote enthusiasm among Jr. High students Mr. Morton tried to encourage students to enroll in the agricultural course in High School.

In November, in order to improve their financial status the junior and senior high members sold citrus fruit. Dairy judging contests were held to create interest in and enthusiasm for agriculture.

Boiling With Homemaking Skills

The members of the Junior High Future Homemakers of America, a nationally and state affiliated organization, strove to reach their goals which included among others promoting a growing appreciation of the joys and satisfactions of homemaking and furthering interest in home economics. The Junior High F.H.A. also participated in such activities as bake sales, community service projects, a visit to and participation in the Pennsylvania Farm Show, and a field trip to the Hershey Test Kitchens.

KING & QUEEN OF 73

Under the guidance of its advisor, Mr. Shirk, the Junior High Student Council on March 24, sponsored the annual Spring Dance. The highlight of the evening was the announcement of the order of the previously elected court and the coronation of Steve Kreamer and Shirley Books by last year's King and Queen, Reed O'Neal and Amy Jo Peters. The organization also provided music and refreshments for the couples. Although the Student Council sponsored other activities, the Spring Dance was perhaps the most memorable.

Under the leadership of co-captains, Donna Brown and Jackie Schaeffer, the junior high cheerleaders provided enthusiasm at many sports events. They also generated spirit at pep rallies which were held for the student body. Among their other activities, the girls helped the varsity squad raffle off the Homecoming Day football and collect money for the Vince Lombardi fund.

The junior high football team's record 1-4 is not an indication of its potential. The team showed much improvement from week to week, especially in the games against Cedar Crest and Lebanon Catholic. In their game with Lebanon Catholic, the players showed great determination and potential for future years. Several players who showed exceptional ability were Jeff Morrow, Phil Troutman, Rick Kleinfelter, and Tim Dunlap. The junior high football team, led by these outstanding players, will be a valuable source for future varsity teams.

This year's Junior High Soccer team was the first such group of underclassmen to compete in a soccer league. Due to lack of team and individual experience with the game, the season was not a winning one. However, with the experience gained from this year's playing, many potential varsity players have been developed.

Seniors Participate in Commencement Proceedings

With tears, smiles, and laughter the class of 1973 performed its commencement exercises on June 3. Both Miss Mildred Meyers, performing organ selections, and the Reverend John Yeatts, giving both the Invocation and the Benediction, contributed to the program. The main speaker of the program was the Reverend Harry T. Richwine whose topic was "Putting U Into Success." In his address Reverend Richwine discussed the need for excelling in one's pursuits, developing a commendable character, and setting high goals for oneself. Following the address the Principal, Mr. Donald Sabol, and School Board President, Mr. Howard Weaver, presented to the class the diplomas which represented the end and achievement of twelve long years of laughter, sorrow, joy, disappointment, enjoyment, and success.

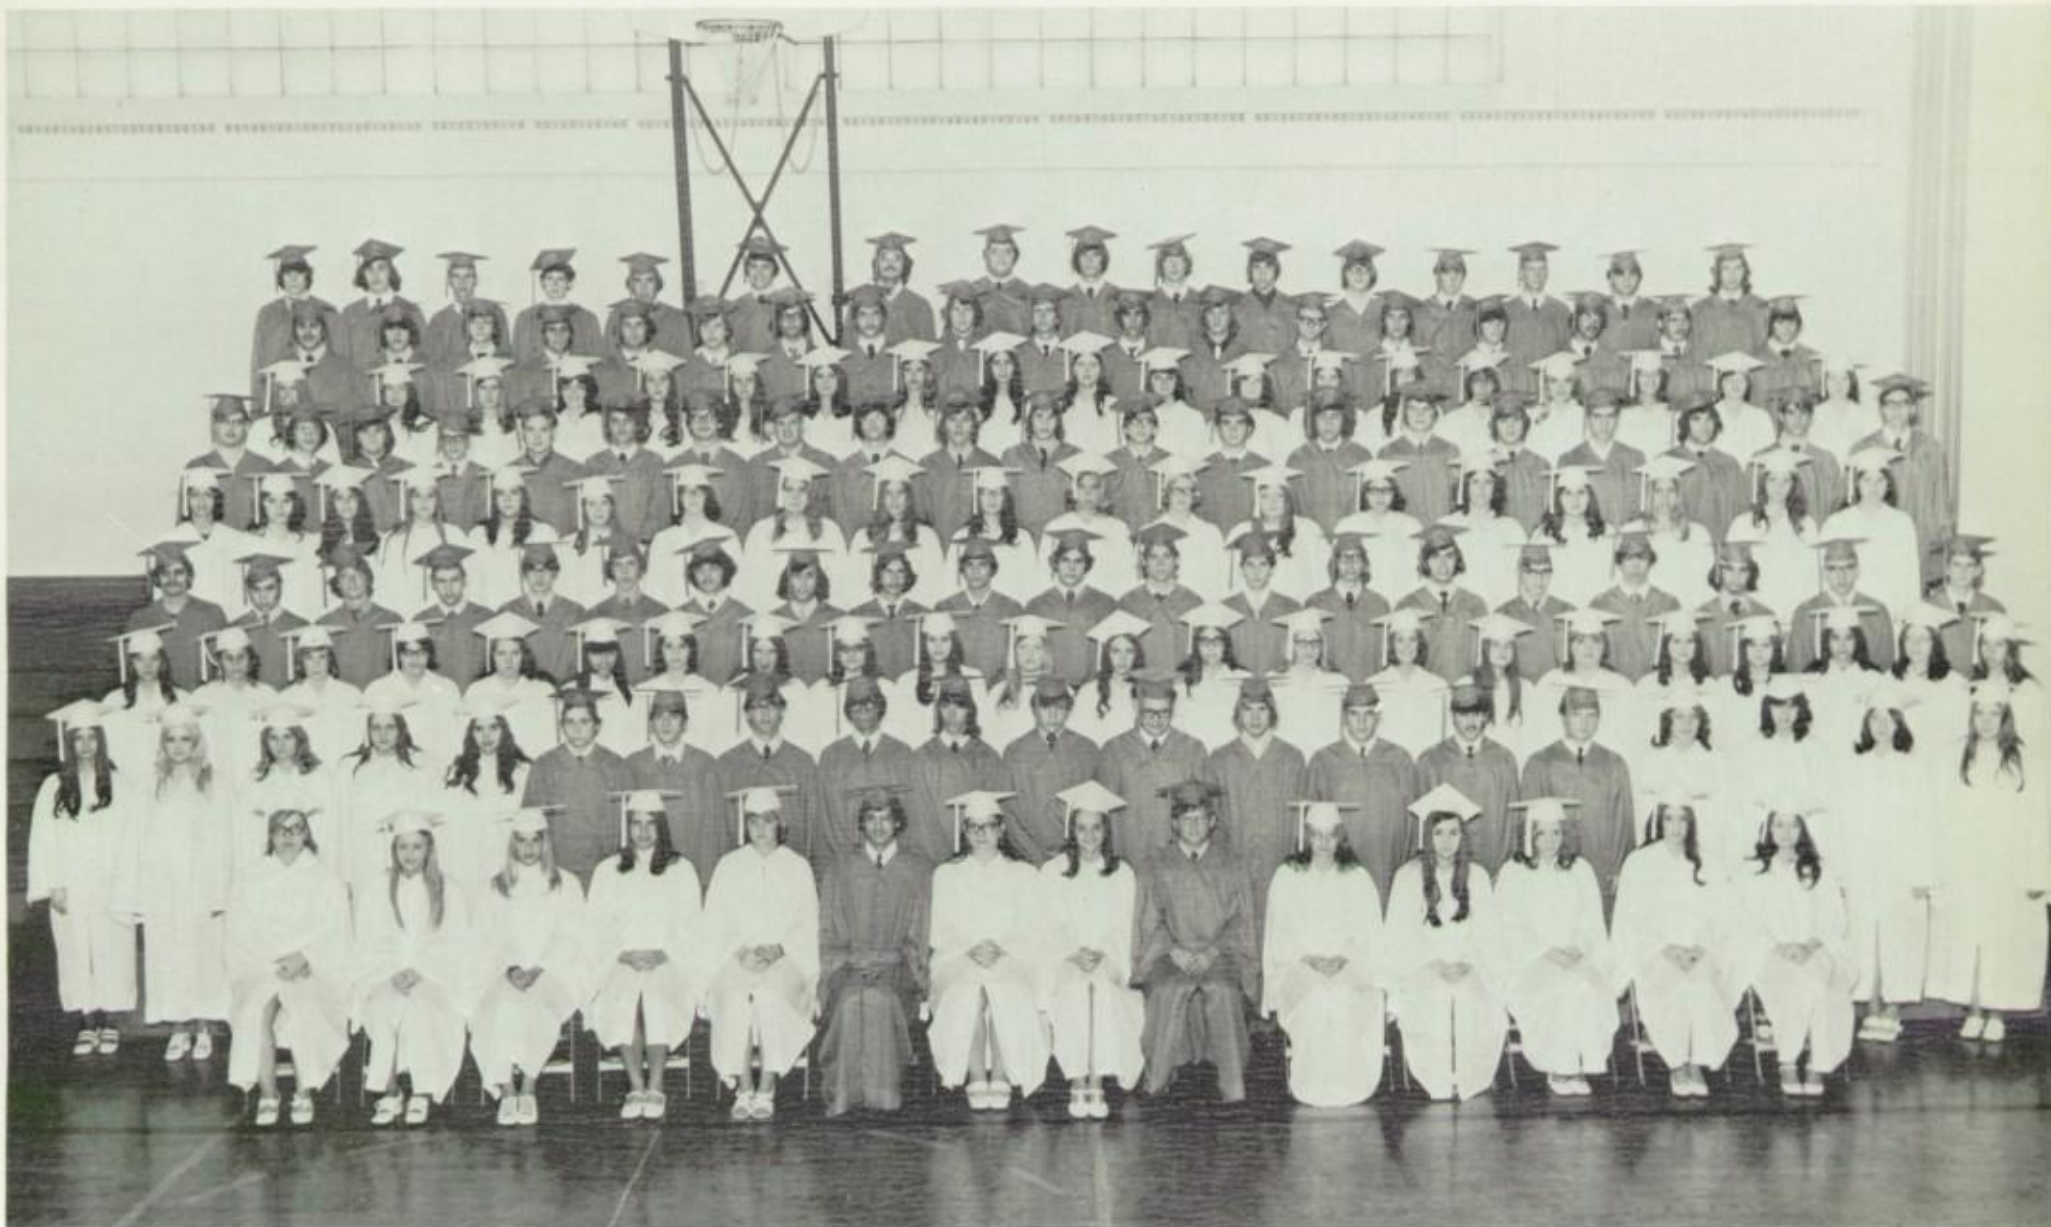

Graduation: A Meaningful End to High School Years

The Class of 1973

Graduation Is . . .

Graduation has its serious moments and rightly so. It also has other sides and I think just as rightly so. What is this thing called graduation? Graduation is . . .

— donning an appropriate cap and gown for the occasion while underneath wearing shorts or mini-skirts to “beat the heat”

— trying to coordinate the rhythm of the “Pomp and Circumstance” march with the proper brain waves so that the message gets down to those two left feet

— pretending to listen to the speeches but taking a count of those characters sitting around you who have “goofed off” for twelve years but will be receiving a facsimile of the same diploma you’ve slaved for 12 years to get

— wondering why you have to fight tears when this is what you’ve spent so many boring days waiting for

— thinking that now finally you can get on with your ambition to become a husband or wife — or continue being that

— getting free to cope with life and trying to make

those theories you’ve learned become practical

— comprehending that the next time you sit on the football bleachers you will be an alumnus watching a football game

— accepting all the attention, gifts and good wishes from your parents, relatives and neighbors

— realizing that the prelude to the first full time employment is to find it

— deploring the fact that jobs and salaries are consistently followed by tax notices

— charging your mother with the job of putting your diploma with the “rest of my things” so you can find it if you ever need it again which you know you never will.

Graduation is a pleasant combination of the serious and the not so. As has been said so often, graduation is not an end but a beginning for it does begin a new hour, a new day, hopefully an abundance of new opportunities.

The Class of 1973 wishes to express its thanks
to Mrs. Harry Wilt for her work
during the Patron Campaign.

Once within a time
We tumbled down
the autumn days
And falling, changed a bit.

**We lived with
hearts that ran**

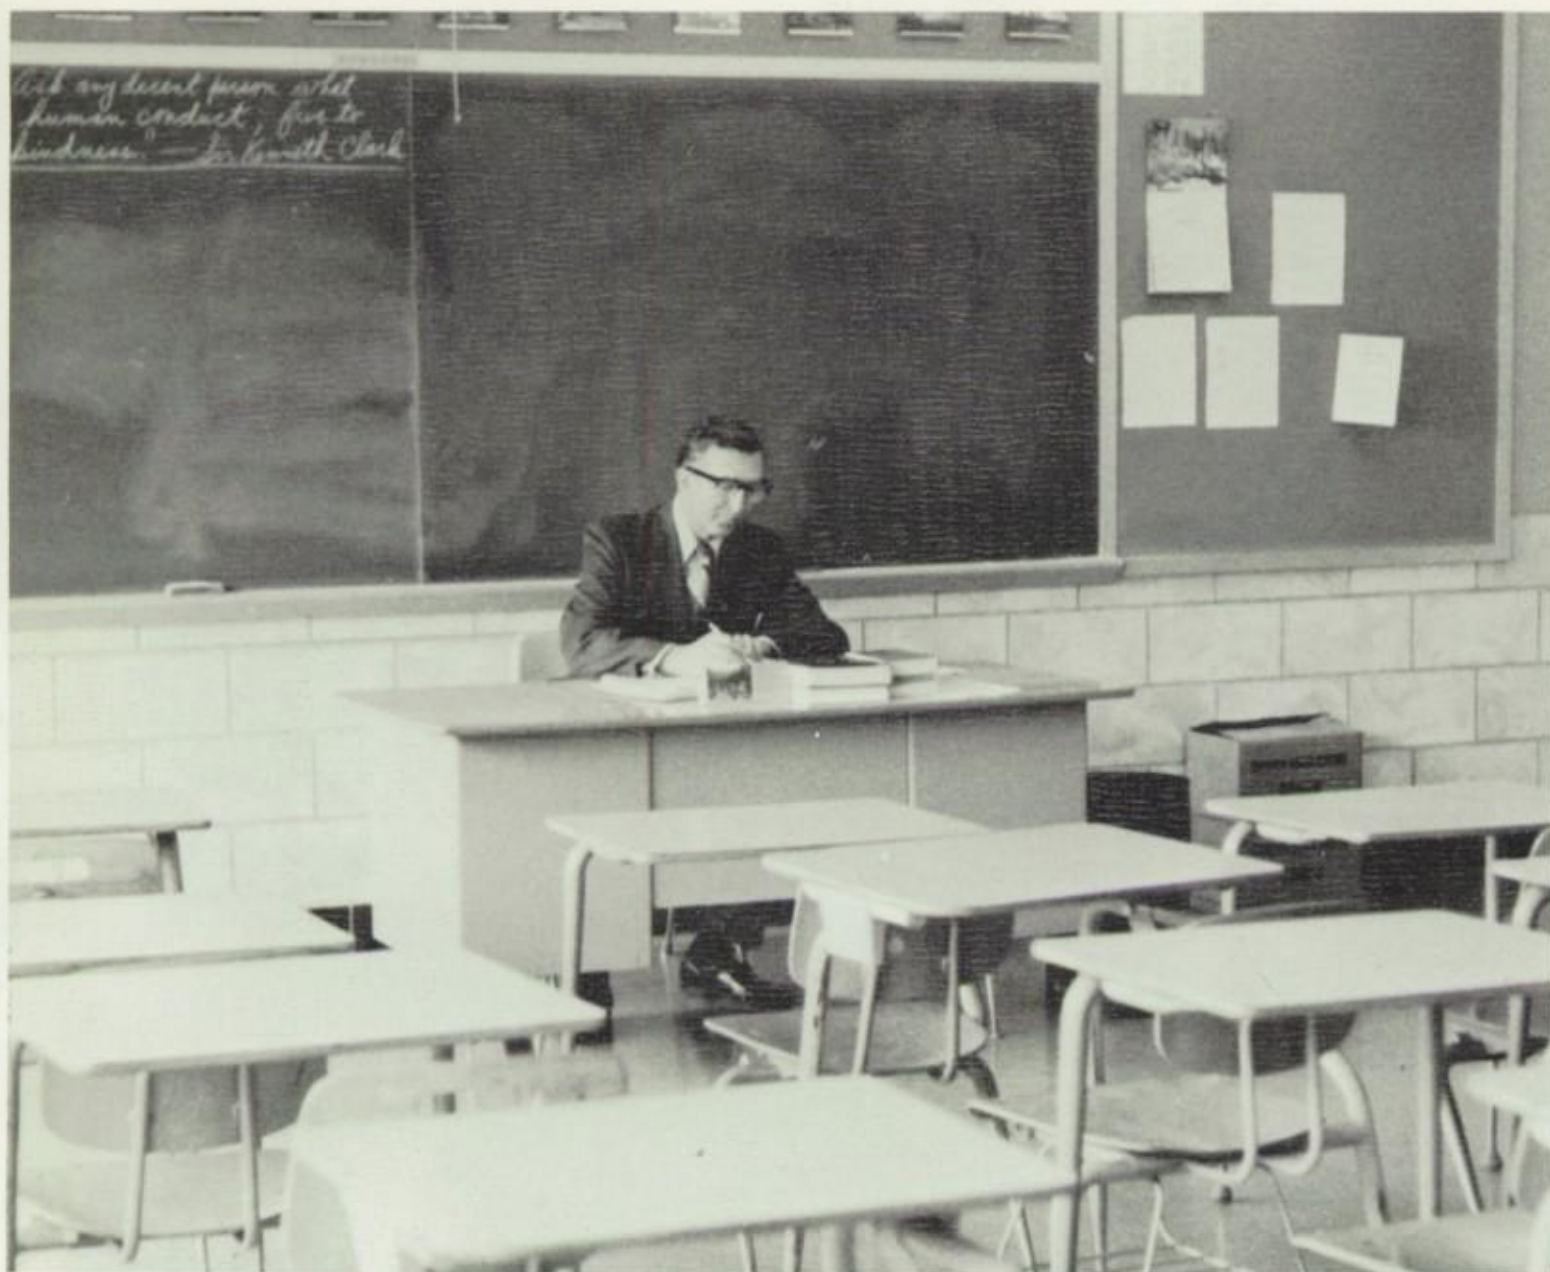

**And hands that
dreamed
And clocks that
had no hour
hand.**

**And we were real
because we tried,
Remember?**

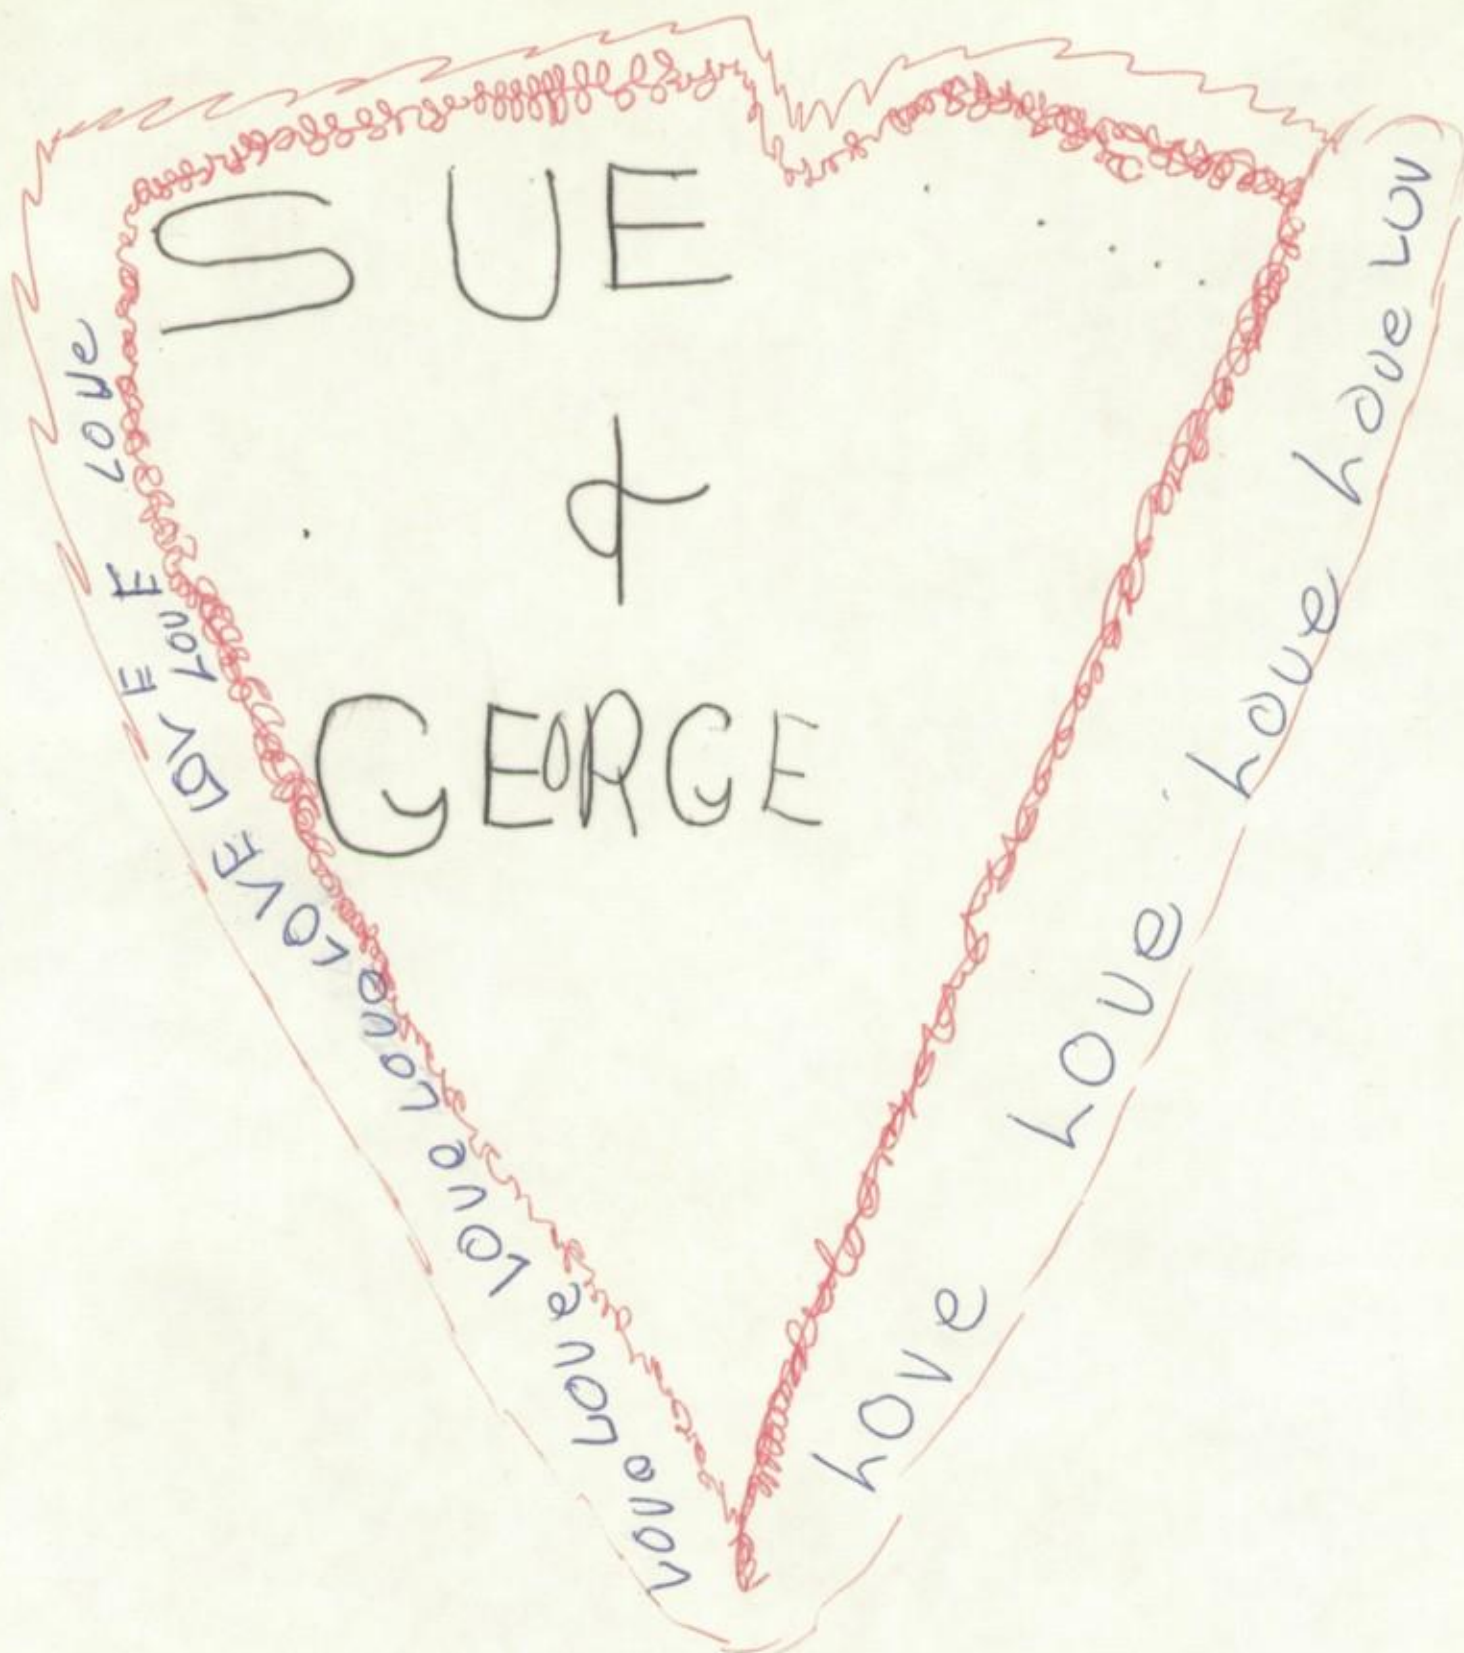

Only a length of this
moment —
half a now ago —

Tomorrow . . .

When the means becomes an end

And then the end becomes a means.
